**Re: In the Matter of the Petition of SMS/800, Inc. to Change the Composition of  
SMS/800, Inc. in WCB Docket No. 12-260**

---

Dear Secretary Dortch:

ICIM Corporation (d.b.a. Indatus) hereby submits these comments in support of the SMS/800, Inc. Petition to Change the Composition of SMS/800, Inc. as filed with the FCC on September 13, 2012 and docketed by the FCC in Wireline Competition Bureau Docket No. 12-260 on September 17, 2012.

ICIM Corporation believes the plan proposed by SMS/800, Inc. to change the composition of SMS/800, Inc. from an organization operated and overseen primarily by the Bell Operating Companies ("BOCs") to one more representative of the toll free industry will facilitate a smooth transition, will enhance the toll free services customer experience and will serve the public interest, convenience, and necessity. Accordingly, the Wireline Competition Bureau should release an order that approves the Petition.

Respectfully submitted,
